Racing will take place April 25, 2026 on Yaquina Bay, Newport, Oregon. If 7 or more races are sailed a vessel's worst score will be excluded from her series score, otherwise all races will count and there will be no discards. It will be governed by the United States Sailing Association's "The Racing Rules of Sailing 2025-2028" including US Sailing Prescriptions and scored using the low point scoring system. The YBYC Spring Regatta is open to centerboard boats, keel boats, catamarans and One-Design fleets which establish a class.

Club Youth Sailors are those under 18 years old that are members in good standing at a yacht club. Payment and entry must be mailed to Yaquina Bay Yacht Club. YBYC will be hosting a spaghetti dinner for this event and does plan to have coffee and after sailing refreshments available.

Sailing Instructions

Rules: Racing will be governed by the United States Sailing Association's "The Racing Rules of Sailing 2025-2028" including US Sailing Prescriptions, except as modified by the sailing instructions. An appointed race committee will have final authority on all matters. Additional sailing instructions may be distributed at registration and/or skippers' meetings.

Classes: All skippers should be members of US Sailing. Five entries will establish a one-design Class. The Portsmouth Yardstick time on time handicapping system (details available on US Sailing website), possibly with modification factors, will be utilized for fleets other than one-design classes. Vessels will be grouped into fleets by the YBYC Race Chair based on vessel type and D-PN. Any modifications factors to the D-PN for offshore classes will be assigned by the YBYC Race Chair as warranted. Any vessel that does not meet criteria for its D-PN or that does not have a D-PN listed in the Portsmouth Yardstick current tables on the US Sailing website must supply the vessel information needed to derive a Portsmouth Yardstick handicap or modification factor as outlined on the US Sailing website. Said

information must be included on the entry form. The YBYC Race Chair reserves the right to require skippers to provide measurements for their sails, hulls, or equipment if requested. Race classes will be announced at the skipper's meeting. Classes may be combined for race starts.

Starting: Fleet starting order will be announced at the skipper's meeting. Start line is unrestricted.

Courses: Courses will be displayed onboard the Committee Boat no later than 5 minutes before the start of each class. Marks will consist of existing navigational aids (channel markers) found on NOAA Chart #18581 and additional buoys placed by the Race Committee for start/finish lines and/or windward and leeward marks if needed. Rounding marks are to be left to Port unless otherwise specified. Course charts and tidal information will be available at registration and skipper's meetings.

Time Limit: The first boat of each fleet has at least 1.5 hours to complete the course. If the 1.5 hours has elapsed and no boat has finished, the Committee Boat may call to abandon the race. Once a boat has finished, the rest of her fleet has 30 minutes to complete the course, or be scored as DNF.

Scoring: Races will be scored using the Low Point Scoring Method in the Racing Rules of Sailing- Appendix A. One or more races completed will constitute the regatta series. Portsmouth Yardstick time on time handicapping will be used for corrected times. A vessel's series score will be the total of all races completed excluding her worst score unless fewer than 7 races are completed in which case all races completed will be included in her final score.

Penalties: Protests that must be settled after racing are discouraged. If rule infractions occur, please attempt to settle them promptly on the water. A boat may take a two-turn penalty while racing. Protest forms are available from the Race Committee and/or Committee Boat. Protest forms must be filed on paper forms within 1 hour of the committee boat docking. The YBYC Race Committee will appoint a protest committee as needed.
